

- Mett Pty Ltd and Hilton Tooling are committed to maintain our quality performance with the aim of providing conforming products and services which are delivered on time and satisfy our customers requirements and expectations.
- The benefits derived from maintaining superior quality will impact on all our employees, resulting in a strong relationship with customers and suppliers, a stable work environment and the satisfaction of contributing to a successful organisation.
- We are leaders in the design and manufacture of toolings and fixtures.
- We supply high pressure aluminium castings, machined and assembled products to our local and international customers.
- Our intent will be realised through company-wide commitment to maintaining and continually improving our quality management system.
